SUBJECT: AVERAGE STATEWIDE GENERAL ASSISTANCE CASELOAD

At the Board of Supervisors' meeting held June 16, 2009, the Board discussed Agenda Item No. 81-C, a report on potential State budget options that would enable the State to reduce costs with the least impact on the public and the community. Supervisor Antonovich requested that you report back on the hard number of General Relief recipients who have a period of years of staying on the program and renewing every nine months to re-enroll into the program.

Enclosed is a copy of the transcript to assist you in preparing your report.
